Carriganima pupils get active

THE pupils of Carriganima National School have been working hard over the past two years and are proud to highlight the fact that they have secured the 'Active School' flag.

The pupils organised two 'Active School' weeks and attended football and hurling Blitzes. They also competed in Macroom Schools Cross Country and Cork City Sports.

As part of the Active Flag programme, the pupils have also highlighted the benefits of an active lifestyle to the school community and wider public.

The Active School Flag is a Department of Education and Skills initiative supported by Healthy Ireland.

The all-important flag was raised in Carriganima National School last week by Cork Footballer Aidan Walsh who spent time chatting with the pupils and staff.

Well done to all involved.
