### **CODE OF BEHAVIOUR POLICY**

The school has a central role in the children's social and moral development just as it does in their academic development. In seeking to define acceptable standards of behaviour it is acknowledged that these are goals to be worked towards rather than expectations that are either fulfilled or not. The children bring to school a wide variety of behaviour. As a community environment, in school we must work towards standards of behaviour based on the basic principles of honesty, respect, consideration and responsibility. It follows that acceptable standards of behaviour are those that reflect these principles. Children need limits set for them in order to feel secure and develop the skills for co-operation. Therefore any rules will be age appropriate, with clear agreed consequences. Parents can co-operate with the school by encouraging their children to understand the need for school rules, by visiting the school and by talking to the members of staff. A code of behaviour is established to ensure that the individuality of each child is accommodated while at the same time acknowledging the right of each child to education in a relatively disruption free environment.

The aims of the Code of Behaviour of Carriganima National School are:

- To provide guidance for pupils, teachers and parents on behavioural expectations.
- To provide for the effective and safe operation of the school.
- To develop pupils' self-esteem and to promote positive behaviour.
- To foster the development of a sense of responsibility and self-discipline in pupils based on respect, consideration and tolerance of others.
- To facilitate the education and development of every child.
- To foster caring attitudes to one another and to the environment
- To enable teachers to teach without disruption.

#### **Implementation**

Every member of the school community has a role to play in the implementation of the Code of Behaviour. Rules will be kept to a minimum, emphasise positive behaviour and will be applied in a fair and consistent manner, with due regard to the age of the pupils and to individual difference. Good behaviour will be encouraged and rewarded. Where difficulties arise, parents will be contacted at an early stage.

## **General Guidelines for Positive Behaviour**

1. Pupils are expected to treat all adults and fellow pupils with respect and courtesy at all times. Behaviour that interferes with the rights of others to learn and to feel safe is unacceptable.
2. Pupils are expected to show respect for all school property and to keep the school environment clean and litter free.
3. Pupils are expected to take pride in their appearance, to have all books and required materials and to be in the right place at the right time.
4. Pupils are expected to obey a teacher's instructions, to work to the best of their ability and to present assignments neatly.
5. Pupils are expected to attend every day unless there is a genuine reason for absence, in which case the school must be informed in writing, stating the reason for absence.

## **Bullying**

Bullying is repeated verbal, psychological and physical aggression by an individual or group against others. The most common forms of bullying are aggressive physical contact, name calling, intimidation, extortion, isolation and taunting. Bullying will not be tolerated and parents will be expected to co-operate with the school at all times in dealing with instances of bullying in accordance with the school's Anti-Bullying Policy.

## **Affirming Positive Behaviour**

Positive reinforcement of good behaviour leads to better self-discipline and we place a greater emphasis on rewards and incentives than on sanctions.

## **Strategies / Incentives**

- A quiet word or gesture to show approval
- A comment on a child's exercise book
- A visit to another class or Principal for commendation
- Praise in front of class group.
- Individual class merit awards, points awards or award stamps
- Delegating some special responsibility or privilege
- Written or verbal communication with parent

## **Discouraging Misbehaviour**

The purpose of sanctions and other strategies is to promote positive and discourage misbehaviour. Sanctions will be applied according to the gravity of the misbehaviour, with due regard to age and emotional development. These may include

- Reasoning with pupil
- Verbal reprimand including advice on how to improve
- Temporary separation from peers within class and / or temporary removal to another class
- Prescribing extra work
- Loss of privileges
- Detention during break
- Communication with parents
- Referral to Principal
- Principal communicating with parents
- Exclusion (Suspension or Expulsion) from school (in accordance with Rule 130 of the Rules for National Schools as amended by circular and Education Welfare Act 2000).

Pupils will not be deprived of engagement in a Curricular Area except on the grounds of health / safety.

## **Suspension / Expulsion**

Before serious sanctions such as detention, suspension or expulsion are used, the normal channels of communication between school and parents will be utilised. Communication with parents may be verbal or by letter depending on the circumstances.

For gross misbehaviour or repeated instances of serious misbehaviour, suspension may be considered. Parents concerned will be invited to come to the school to discuss their child's case. Aggressive, threatening or violent behaviour towards a teacher or pupil will be regarded as serious or gross misbehaviour.

Where there are repeated instances of serious misbehaviour, the Chairperson of the Board of Management will be informed and the parents will be requested in writing to attend at the school to meet the Chairperson and the Principal. If the parents do not give an undertaking that the pupil will behave in an acceptable manner in the future, the pupil may be suspended for a period. Prior to suspension, where possible, the Principal may review the case in consultation with teachers and other members of the school community involved, with due regard to records of previous misbehaviours, their pattern and context, sanctions and other interventions used and their outcomes and any relevant medical information. Suspension will be in accordance with the Rules for National Schools and the Education Welfare Act 2000.

In the case of gross misbehaviour, where it is necessary to ensure that order and discipline are maintained and to secure the safety of the pupils, the Board may authorise the Chairperson or Principal to sanction an immediate suspension for a period not exceeding three school days, pending a discussion of the matter with the parents.

Expulsion may be considered in an extreme case, in accordance with the Rule for National Schools and the Education Welfare Act 2000. Before suspending or expelling a pupil, the Board shall notify the Local Welfare Education Officer in writing in accordance with Section 24 of the Education Welfare Act.

## **Removal of Suspension (Reinstatement)**

Following or during a period of suspension, the parent(s) may apply to have the pupil reinstated to the school. The parent(s) must give a satisfactory undertaking that a suspended pupil will behave in accordance with the school code and the Principal must be satisfied that the pupil's reinstatement will not constitute a risk to the pupil's own safety or that of the other pupils or staff. The Principal will facilitate the preparation of a behaviour plan for the pupil if required and will re-admit the pupil formally to the class.

## **Schools Rules**

School rules are kept to a minimum and are devised with regard for the health, safety and welfare of all members of the school community. If a school is to function efficiently, it is necessary that rules and regulations are clearly stated and enforced consistently and fairly.

## **Before / After School**

Parents are reminded that the staff of the school does not accept responsibility for pupils before official opening time of 9.20am or after the official closing time of 2pm (infants), 3pm (other classes) except where pupils are engaged in an extra-curricular activity organised by the school and approved by the Board of Management. Pupils involved in such activities are expected to behave in accordance with school behaviour policy during these times.
